

### Scientific Committee

Dr. A. Alexandrov  
Assoc. Prof. V. Velchev  
Prof. D. Vassilev  
Dr. V. Gelev  
Prof. Pl. Gatzov  
Dr. L. Dimitrov  
Dr. I. Jeleva  
Dr. F. Fouladvand

Assoc. Prof. K. Karamfiloff  
Dr. R. Kasabov  
Assoc. Prof. M. Konteva  
Assoc. Prof. I. Manoukov  
Prof. I. Petrov  
Dr. N. Stoyanov  
Prof. D. Trendafilova

### International Faculty

Prof. B. De Bruyne  
  
Prof. C. Collet  
Prof. E. Eeckhout  
Prof. R. Nair

Prof. Ch. Rogelov  
  
Prof. G. Sianos  
Prof. N. Sreeram

# Program

## **30 September, Thursday**

*Foros Hall, fl. 2*

### **12:00 - 13:00 Educational module for fellows I – Invasive assessment of hemodynamics**

**Moderator: V. Velchev**

12:00 - 12:15 Hemodynamic assessment of left to right shunt

A. Kaneva

12:15 – 12:20 Discussion

12:20 – 12:35 Angiographic projections and assessment in CHM

K. Nenova

12:35 – 12:40 Discussion

12:40 – 12:55 Restrictive physiology in context of HFpEF

V. Velchev

12:55 – 13:00 Discussion

### **13:00 – 13:10 Presentation of Amgen**

**FH identification algorithm in patients with ACS**

**A. Postadzhian**

### **13:10 – 13:20 Break**

### **13:20 - 14:20 Educational module for fellows II – PCI**

**Moderator: K. Karamfiloff**

13:20 – 13:35 Types and choice of devices for PCI

K. Karamfiloff

13:35 – 13:40 Discussion

13:40 – 13:55 Support catheters – tips and tricks for better support

N. Stoyanov

13:55 – 14:00 Discussion

14:00 – 14:15 Bifurcation stenosis

M. Marinov

14:15 – 14:20 Discussion

**14:20 - 15:00** First poster session /Foros Hall lobby/ and coffee-break /Chernomorie Hall/  
Moderators: Pl. Gatzov, V. Gelev, R. Kasabov

**15:00 – 15:20** Symposium of Boehringer – silver sponsor  
**SGLT2i in treatment of HF patients according latest ESC HF Guidelines**  
P. Gatzov

**15:20 - 16:20** Educational module for fellows III – Structural interventions  
Moderators: F. Fouladvand, P. Kratunkov, N. Stoyanov

15:20 – 15:35 Occluders of the left atrium appendage  
F. Fouladvand

15:35 – 15:40 Discussion

15:40 – 15:55 Interventional treatment in ASD  
P. Kratunkov

15:55 – 16:00 Discussion

16:00 – 16:15 TAVI – modern approach or how to make TAVI as a PCI  
N. Stoyanov

16:15 – 16:20 Discussion

**16:20 - 16:30** Closing words on Educational modules for fellows

**16:30 – 16:40** Tansei Ultimaster – new opportunities in interventional treatment -  
presentation by Terumo  
V. Velchev

**16:40 – 17:10** Second poster session /Foros Hall lobby/ and coffee-break /Chernomorie Hall/  
Moderators: D. Trendafilova, M. Konteva, I. Manoukov

**17:10 – 17:30** Symposium of Medtronic – silver sponsor  
**Aortic stenosis – paradigm shifting**

**17:30 – 18:30** Official opening of X Jubilee Congress of Interventional Cardiology  
Panelists: B. Finkov, J. Jorgova, V. Velchev

17:30 – 17:35 Introduction by V. Velchev, president of Bulsic

17:35 – 17:55 20 years since foundation of Bulgarian Society of Interventional  
Cardiology  
Ml. Grigorov

17:55 – 18:15 Presentation  
J. Jorgova

18:15 – 18:25 Presenting with honorary plaques for contribution in  
development of interventional cardiology

18:25 – 18:30 Official addresses

18:30 – 18:40 Presentation of Association Child's Heart  
M. Tzonzarova

***Chernomorie Hall, ground floor***

**18:40 – 20:00 Jubilee anniversary official celebration**

**1 October, Friday**

*Foros Hall, fl.2*

**9:00 - 10:00 Ischemia – Debate session I**

**Moderators: A. Goudev, D. Vassilev**

9:00 – 9:15 Ischemia Trial – will change my clinical practice  
V. Krastev

9:15 – 9:20 Comments

9:20 – 9:35 Ischemia Trial – will not change my clinical practice  
F. Fouladvand

9:35 – 9:40 Comments

9:40 – 10:00 Discussion

**10:00 - 10:20 Symposium of Servier – silver sponsor**

**Control of the risk after cardiovascular event**

**K. Karamfiloff**

**10:20 - 10:40 Coffee-break and visit to exhibition /Chernomorie Hall/**

**10:40 - 11:00 Symposium of Abbott – silver sponsor**

**Conquer The Complex - challenging cases session**

**10:40 – 10:41 Introduction - TBA**

**10:41 – 10:48 How did I treat, case #1, speaker TBA**

**10:48 – 10:55 How did I treat, case #2, speaker TBA**

**10:55 – 11:00 Q&A discussion**

**11:00 - 12:00 Structural interventions**

**Moderators: J. Jorgova, Ch. Rogelov, D. Trendafilova, I. Petrov, V. Velchev**

11:00 – 11:15 TAVI in the context of extended indications  
Ch. Rogelov

11:15 – 11:20 Discussion

11:20 – 11:35 Bicuspid aortic pathology, VIV - indications, key aspects  
D. Trendafilova

11:35 – 11:40 Discussion

11:40 – 11:55 On the horizon: endovascular options for Mitral valve regurgitation  
I. Petrov

11:55 – 12:00 Discussion

**12:00 - 12:30 Symposium of Berlin Chemie – gold sponsor**  
**Roteas in patients with non valvular atrial fibrillation**  
**V. Velchev**

**12:35 - 12:55 Lunch symposium of Bayer – silver sponsor**  
**Moderator: D. Vasilev**  
**Reliable protection for the most vulnerable patients' groups with rivaroxaban**  
**K. Karamfiloff – clinical case, N. Stoyanov – clinical case**

**12:55 – 13:15 Lunch break**

**13:15 - 14:15 Session: Pediatric Cardiology**  
**Panelists: L. Dimitrov, A. Kaneva, P. Kratunkov**

13:15 – 13:30 Interstage interventions after the Norwood procedure  
N. Sreeram

13:30 – 13:45 Transcatheter closure of persisting artery channel in preterm  
infants  
L. Dimitrov

13:45 – 14:00 Hemodynamic assessment of grown fountain patients  
E. Levunlieva

14:00 – 14:15 Fetal interventions: indications and outcomes  
N. Sreeram

**14:15 - 15:15 Complications in Interventional Cardiology – joint session with EAPCI**  
**Panelists: E. Eeckhout, Ch. Rogelov, I. Petrov, N. Stoyanov**

14:15 – 14:30 Coronary implant loss  
E. Eeckhout

14:30 – 14:35 Discussion

14:35 – 14:50 Coronary perforation  
Ch. Rogelov

14:50 – 14:55 Discussion

14:55 – 15:10 Coronary balloon fracture: shaft fracture, balloon dysfunction or entrapped balloon  
N. Stoyanov

15:10 – 15:15 Discussion

**15:15 - 15:35 Symposium of Biotronik – silver sponsor**  
**Optimizing PCI in challenging disease subsets**  
**Moderator: G. Sianos, V. Gelev**

**Why Orsiro is my first choice for treatment for my STEMI patients**  
**M Konteva, UMHAT Deva Maria, Bourgas**

**Complex Left Main PCI, V. Gelev, Acibadem City Clinic Tokuda Hospital Sofia**

**15:35 - 15:50 Coffee-break and a visit to exhibition /Chernomorie Hall/**

**15:50 – 16:50 Coronary physiology – advanced course**  
**D. Vassilev, C. Collet**  
**/with the support of Bracco – silver sponsor/**  
**Moderators: D. Trendafilova, V. Gelev**

15:50 – 16:10 Focus lecture: Functional lesion assessment – history and future directions  
B. De Bruyne

16:10 – 16:15 Discussion

16:15 – 16:50 Prerecorded cases and discussion

**16:50 – 17:10 Symposium of Abbott Medical and Bulmed – silver sponsor**  
**Introducing Navitor: A new solution for TAVR with Active PVL Sealing Technology**

**D. Smith, Morriston Hospital, UK**

**17:10 - 18:10 Complications in the cath lab – own experience**  
**Panelists: A. Alexandrov, Pl. Gatzov, I. Petrov**

***Burgas Hall, fl. 4***

**15:00 – 17:00 Nurse session**  
**Moderators: Hr. Mateev, I. Deenichina**

Basics

15:00 – 15:15 X-ray radiation and protection  
D. Lefterova

15:15 – 15:20 Discussion

15:20 – 15:35 ECG monitoring and hemodynamics in the cath lab

A. Postadzhiyan

15:35 – 15:40 Discussion

15:40 – 15:55 Cardiopulmonary resuscitation in the cath lab

G. Vladimirov

15:55 – 16:00 Discussion

### Advanced

16:00 – 16:15 Coronary physiology

P. Nikolov

16:15 – 16:20 Discussion

16:20 – 16:35 Specific coronary procedures: options for treatment of calcium lesions

V. Gelev

16:35 – 16:40 Discussion

16:40 – 16:55 Structural heart diseases: TAVI – what should we know

Y. Slavova

16:55 – 17:00 Discussion

## **2 October, Saturday**

*Foros Hall, fl.2*

### **9:00 - 10:00 Ischemia – Debate session II**

**Moderators: Pl. Panayotov, I. Petrov, N. Stoyanov**

9:00 – 9:15 ACS – complete revascularization – Pro

N. Dimitrov

9:15 – 9:20 Comments

9:20 – 9:35 ACS – complete revascularization – Contra

Pl. Gatzov

9:35 – 9:40 Comments

9:40 – 10:00 Discussion

### **10:00 – 10:30 Symposium of Gedeon Richter: NSTEMI – Clinical challenge**

**Moderators: D. Vassilev, P. Gatzov, K. Karamfilov**

**10:30 – 10:50 Family photo /at the main entrance of the Congress Center/, coffee- break and visit to the exhibition /Chernomorie Hall/**

**10:50 - 11:50 Structural interventions – Challenging cases TAVI**

**Moderator: D. Trendafilova**

10:50 – 11:00 Clinical case from MHAT Heart and Brain- Burgas  
Pl. Penchev

11:00 – 11:05 Discussion

11:05 – 11:15 Clinical case from UMHAT St. Ekaterina  
Hr. Angelov

11:15 – 11:20 Discussion

11:20 – 11:30 Clinical case from Acibadem City Clinic Tokuda Hospital  
P. Polomski

11:30 – 11:35 Discussion

11:35 – 11:45 Case based presentaiton  
R. Nair

11:45 – 11:50 Discussion

**11:50 – 12:30 Symposium of Pfizer – platinum sponsor**

**11:50 – 12:10 Clinical cases of patients with AF and ACS / PCI  
V. Gelev**

**12:10 – 12:30 Presentation of novel data in the treatment with DOAC in  
patients with AF and ACS and / or PCI  
V. Velchev**

**12:30 – 13:30 Lunch /Chernomorie Hall/**

**13:30 – 14:00 Symposium of AZ – gold sponsor**

**From ACS to heart failure. Science meets practice.  
V. Velchev, A. Goudev**

**14:00 - 15:30 Complex Coronary Interventions – highlights 2021**

**Moderators: G. Sianos, V. Gelev, D. Vassilev, I. Jeleva**

14:00 – 14:15 Left Main PCI in 2021 – the recommendations....and beyond them  
V. Gelev

14:15 – 14:25 Case presentation – D. Vassilev

14:25 – 14:30 Discussion

14:30 – 14:45 Current Advances and Challenges in CTO recanalization

G. Sianos

14:45 – 14:55 Case presentation – Acibadem City Clinic Tokuda Hospital

14:55 – 15:00 Discussion

15:00 – 15:15 Coronary Calcification. Treatment of coronary calcium in 2021.

R. Nair

15:15 – 15:25 Case presentation – Acibadem City Clinic Tokuda Hospital

15:25 – 15:30 Discussion

**15:30 – 16:00 Symposium of TEVA – gold sponsor**

**De-escalation therapy after acute coronary syndrome**

**Moderator: K. Karamfiloff**

**De-escalation of DAPT in patients with ACS**

**V. Velchev**

**Practical considerations in choosing a P2Y12 inhibitor – advantages of**

**Clopidogrel**

**K. Karamfiloff**

**16:00 BULSIC General Assembly**

**16:00 - 16:30 Coffee- break and visit to exhibition /Chernomorie Hall/**

**16:30 – 18:00 Best clinical case session**

**Panelists: D. Trendafilova, I. Jeleva, F. Fouladvand**

**18:00 BULSIC General Assembly**
